PRIVACY DISCLAIMER - ITALIAN PRIVACY POLICY LAW 196/2003

In connection to data handling, decree 196/2003 of Italian law guarantees their protection against persons and other parties. Logical Town Association handling and holding your personal data inform that:

- the information you provide (personal, account, fiscal data) is used to fulfil information and promotion activities, to manage your account, administrative and fiscal issues and our business relation;
- at this purpose data processing is carried out through computer and data transmission systems and can be communicated to society, association organization, public and private entities that will treat it in the respect of your rights and privacy according to the privacy policy law;
- therefore, in compliance with the terms and indications of Italian Law 196/2003, regulating the treatment of data of persons and other subjects, the association, acting as controller of such information, is obliged to illustrate the conditions of usage of the data in its possession. In this respect it is specified that: the data treatment itself is solely in relation to or instrumental to the activities according to the aims and objectives of the Logical Town Association specified in the Statutes and more precisely:
 - to promote knowledge exchange and to establish collaborations among members and between members and other stakeholders;
 - to disseminate and to spread the culture of sustainable city logistics in the political and business local context with the aim to optimize the overall urban mobility;
 - to promote innovative solutions and operational schemes on eco-friendly urban freight distribution toward companies and public administrations;
 - to promote training and/or up-dating of professionals and technicians involved in the freight distribution chain taking advantage of the collaboration of public and private institutes, in order improve skills and knowledge for the implementation and management of sustainable city logistics processes;
 - to network with organizations, institutes, foundations, public and private entities at any level that are involved in activities connected with those of the association;
 - to organize and to manage meetings, workshops, congresses, visits, training and communication activities, as well as to disseminate news and information about the purposes of the Association;
 - to promote round tables, conferences, meetings, debates, workshops, exhibitions, training courses at different level for studies connected to the objectives of the Association;
 - to participate to local, National and International projects to implement research activity, development, experimentation, training, dissemination and promotion relevant to the objectives of the Association;
- The security measures taken by Logical Town Association ensure the access to your data only to authorized persons and avoid spreading your personal details.
- It is necessary that you convey us your personal data to satisfy the aims described above and all law and contract obligations.
- Logical Town Association located in Via della Chiesa XXXII, trav.I n.231, Sorbano del Giudice - 55100 Lucca (Italy) complying with decree 196/2003 is entitled to hold your data.

In compliance with Art. 7 of decree 196/2003 you could always assert your rights against the party entitled to hold your data.
